

PUBLIC COMMENT GUIDE FOR MEMBERS OF PUBLIC

1 Purpose

Guidelines for members of the public on accessing Public Comment (PC) Drafts and submitting comments via the Standards Australia (SA) Public Commenting Portal.

2 Finding a Draft for Comment

2.1 Locate a Public Comment Draft via Standards Australia website

1. Navigate to www.standards.org.au
2. Scroll down the page and select the 'Public Comment' button.

Alternatively, near the top of the page select 'Committee Access' then 'Public Comment'

3. Clicking on 'Public Comment' would prompt you for login details for Standards Connect.
4. Enter your registered email address and password.

NOTE: First time users will be prompted to register for a Standards Connect account before being able to submit comments on a draft standard.

5. Click on 'Drafts open for Public Comment' in the **Dashboard** tab Or Navigate to **Project Search** tab and select a project open for public commenting.
6. Click on the **View & Comment** button on the project details page. The draft will open in a new tab for commenting. This new tab is for Public Commenting Management System.

The screenshot shows the 'Draft Details' page for a document titled 'Test - Pre-engineered fire protection systems for cooking equipment'. The page includes a 'TABLE OF CONTENTS' on the left, a search bar, and a 'Draft Details' section with the following information:

- Designation:** AS 5363
- Source:** SA/SNZ
- Committee:** UX-099
- Committee Name:** Test Committee
- Comment Start Date:** 10/09/2020
- Comment End Date:** 17/09/2020
- Comments:** 12
- Categories:** Consumer Products Service and Safety

Below the details, there are sections for 'DRAFT SCOPE' and 'DRAFT INSTRUCTIONS'. The instructions state: 'You may comment on any section of this document by clicking "Comment". Once your comment has been submitted, it will be visible to the public and you will no longer be able to edit or delete it. If you choose to "Save as draft", you will be able to return to your comment and edit before submitting. You must finalise and submit comments before the end of the closing date (AEST). Any draft comments not submitted by that date will not be taken into consideration and will be deleted. All comments should be able to stand alone during the committee review; please do not refer to previous comments.'

2.2 Locate a Public Comment Draft via Standards Connect

1. Navigate to <https://connect.standards.org.au/>.
2. Follow all steps from Step 4 onwards as explained in 1.1 above

3 Navigating Public Commenting Management System (PCMS)

3.1 Tabs in PCMS

There following 4 tabs are available in PCMS:

1. **Dashboard** that shows all the SA projects that are open for public commenting. The list of projects appearing on the dashboard is sorted in chronological order of public comment end date by default. Drafts closing the soonest will appear at the top of the list.
2. **My Comments** tab will give you access to all your submitted, saved and resolved comments for all active projects.
3. **Connect** tab will take you back to the Connect application.
4. **Help** tab will give you access to the user guide for PCMS.

The screenshot shows the 'Drafts for Public Comment' section of the PCMS dashboard. It features a search bar and a table with the following data:

Sector	Designation	Draft Title	Committee	Status	Comment End Date	Comments
Consumer Products Service and Safety	AS 5363	Test - Pre-engineered fire protection systems for cooking equipment	UX-099	Open	17/09/2020	14
Agriculture, Forestry, Fishing and Food	AS ISO/IEC 17789	Information technology — Cloud computing — Reference architecture	IT-038	Open	20/09/2020	4

At the bottom right of the table, it indicates 'Rows per page: 15' and '1-2 of 2'.

To access your profile page or to log out of the system click on the top right-hand corner icon with your username. The footer will give you access to:

- SA Privacy Policy
- Conditions of use
- How to contact us

3.2 Browsing a Public Comment Draft

The draft can be accessed in the following two views:

- **Section by Section:** In the section by section view the table of contents is on the left-hand side of the screen. In this view you can browse one section or sub-section at a time. You can move between sections by scrolling through the table of contents and clicking on any section or sub-section title. You can move to the previous or the next section by clicking on the section names appearing above the current section title.
- **Single Page:** You can view the draft as a single page by choosing that view from the drop-down menu on top. In this view the draft will appear as a single page which you can scroll through and read

You can switch between these 2 views using the same drop-down menu

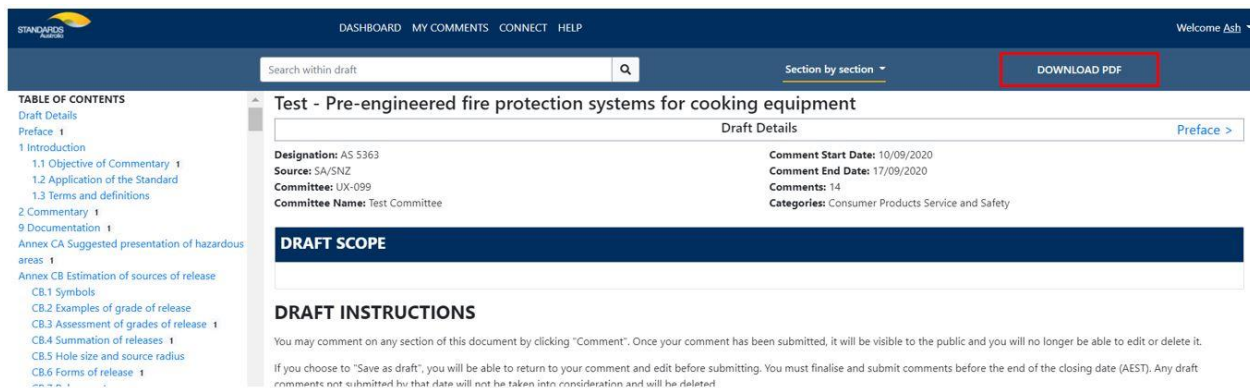

The screenshot shows the user interface for viewing a public comment draft. At the top, there is a navigation bar with 'DASHBOARD', 'MY COMMENTS', 'CONNECT', and 'HELP'. A search bar is located in the center, and a 'Welcome MDP' message is on the right. A dropdown menu is highlighted with a red box, showing 'Single page view' and 'Section by section' options. The main content area displays the draft title 'Methods of testing rocks for engineering purposes, Method 0: General requirements and list of methods'. Below the title is a 'TABLE OF CONTENTS' on the left, a 'Preface' section, and a '1 Scope' section. A 'Comments (0) Show' section is visible below the main content, with a 'COMMENT' button.

3.3 Downloading a Public Comment Draft

You can download a watermarked copy of the draft in pdf format for offline reading.

- Click on the **Download PDF** button on the top right-hand side of the screen.
- Accept the terms of the Document License Agreement in the License Agreement pop-up.
- Click on 'Accept' at bottom right. The PDF will be downloaded to your local drive in Downloads folder.

*Note: Users cannot download the draft for international standards. They can only be read online.

The screenshot shows the 'Draft Details' page for a standard draft. The page includes a navigation menu on the left, a search bar, and a 'DOWNLOAD PDF' button. The main content area displays the draft title, design details (AS 5363, SA/SNZ, UX-099), dates (10/09/2020 to 17/09/2020), and categories (Consumer Products Service and Safety). A 'DRAFT SCOPE' section is highlighted, and 'DRAFT INSTRUCTIONS' are provided below it.

4 Commenting on a Public Comment Draft

4.1 Commenting on a Public Comment Draft

- Click on the Comment button provided below the section to comment on. The button will be available for each section or sub-section in both the section by section view and the single page view.
- Select the type of the comment from the drop-down menu - General, Editorial or Technical.
- Enter your comment and proposed solution in the text boxes provided. These are mandatory fields.
- You will also have an option to upload and attach a document to support your comment by clicking on the Browse button which will open the file finder and you can choose a file from your file system.
- Click on the Submit button to submit the comment on the section. Once submitted, your comment will appear just below the section text for everyone to view and cannot be edited and deleted.

The screenshot shows the 'Comments' section for the draft. It displays the draft title, the current section 'CB.1 Symbols', and a 'Comments (0) Hide' section. A 'COMMENT' button is highlighted in a red box. The interface also shows navigation links for other sections like 'Annex CB Estimation of sources of release' and 'CB.2 Examples of grade of release'.

4.2 Saving a Comment

- You can save your comment instead of submitting it by clicking the Save As Draft button. If you choose to save your comment, it will be accessible under the My Comments tab.

5 Endorsing and Reporting a Comment

- You can endorse a comment by clicking on the Like icon available next to each comment. This way you can show your agreement with a comment without the need to make a duplicate comment.
- If you find a comment offensive or a copyright infringement, you can report the comment by clicking on the Report button available next to each comment. You will be required to provide a reason for your report. A notification will go to the SA staff to review your report and act on it.

*Note: The reporting feature is not to show your disagreement with a comment. In case you have a different view to the comment, please make your own comment with supporting reasons by clicking on the Comment button provided below each section. Our Committee Members will review each comment

6 Resolution of Comments and Notifications

- After the comment period ends all the comments will be reviewed by the committee and resolved accordingly.
- Once all comments have been carefully reviewed and resolved you will receive an email on your registered email address notifying you of the outcome of your comment. You will be informed if your comment was accepted, accepted with some modifications, not accepted or marked for future consideration.
